

## Bronson Community Schools ParentConnection Registration Form

ParentConnection is a web-based application that allows you to view information for your child's current school year from any internet-capable PC. Using ParentConnection, you may view attendance, grades (grades 5-12 only), food service, and other school information. To protect the privacy of students, office staff will verify proof of guardianship or parental rights before you will be issued a ParentConnection account. **Please complete this form in its entirety and return it to one of the building secretaries.** By completing this form, you hereby request the creation of a Parent Connection account and authorize Bronson Community Schools to link your child's/childrens' information to this account. You will be called when your PIN/password is ready for pickup. **You will need to provide your driver's license for identification before you will receive your PIN/password. If you would like your PIN/password mailed to you, please place a check mark in the "Mail PIN/Password to me" box. By checking this box the parent is releasing the Bronson Community School district from any liability related to the mail being opened by someone else and the PIN/Password information being available to them.**

**Please check the appropriate selection below:**

- Please create a new ParentConnection account.
- Please mail my PIN/Password to me. I release the school district from any liability if this envelope is opened by someone other than the parent it was intended for.
- Please update my information in ParentConnection
- Please add another student to my existing ParentConnection account.
